Summer of 2025

Dear Friend of Dreams Go On,

We are excited to announce that planning is underway for the **19th Annual Lehman Engineers Horse Trail Ride & Trail Walk**, taking place on **Sunday, September 28, 2025**, at **Canoe Creek State Park** in Hollidaysburg, PA. This event is the **largest annual fundraiser** for **Dreams Go On**, a 501(c)(3) nonprofit **therapeutic horseback riding** for adults and children with special needs.

Thanks to supporters like you, we have raised over **\$417,000** since this event began. Last year alone, we raised **\$36,825.31**—funds that help cover barn and horse care, new adaptive riding equipment, scholarships for children in need, and the hiring of certified therapeutic riding instructors.

For a child or young adult with physical, emotional, or developmental challenges, the connection with a horse can be life changing. The movement and warmth of the horse can help improve muscle tone, balance, coordination, and confidence—all while offering a sense of freedom, joy, and inclusion.

We invite you to help us again this year by **donating generously**. A list of **sponsorship opportunities** is enclosed. Donations of **gift baskets or gift cards** for our auction are also welcome and appreciated.

You can also join us in person—ride your horse or walk the trail with family, friends, or coworkers! Register online at www.DreamsGoOn.com/ridewalk or call **814-695-7500** for more information.

Exciting news! Construction is underway on a **new barn** for our riders and horses. If you'd like to learn about becoming a **named sponsor**, please reach out to me directly. Naming opportunities are available at all levels, from **\$25 to \$200,000**, to help us bring this dream to life.

Thank you for considering this meaningful cause—and for helping us ensure that **Dreams Go On!**

Warm regards,

Betsy M. Lehman
