Dear Friend of Dreams Go On,

We are pleased to announce that our committee is now planning the **18th Annual Lehman Engineers Horse Trail Ride & Trail Walk** to be held at Canoe Creek State Park in Hollidaysburg, PA on **Sunday, September 29, 2024**. All proceeds from the event support therapeutic horseback riding for both adults and children at **Dreams Go On**, a 501c3 non-profit organization. Funds are used for barn and horse expenses, new therapeutic riding equipment, scholarships for needy children, and the hiring of certified trainers.

To children or young adults with physical, developmental, or emotional challenges, life can look a lot brighter on horseback. The power and warmth of the horse strengthens, and tones muscles, improves balance, head control, coordination, builds self-esteem, and offers a sense of freedom and equality. Many thanks to all who were able to support our fundraising campaign last year to help us raise **\$40,000.34**. We invite you to help us once again to support therapeutic horseback riding. Please join **Lehman Engineers** in supporting this event by donating generously. Attached are several sponsorship levels that we encourage you to consider.

This year's **Goodwill Ambassadors for Dreams Go On, Inc.** are Destiny (pictured left) & Madison (pictured right) Irvin. Destiny is in our Independent Riding Program and also a volunteer with the program. She was recently battling a health issue and was unable to ride for 1.5 years. Her determination to ride again heavily influenced her recovery and she is once again on horseback! Maddie is a ray of sunshine who loves riding any of our horses! She is new to the program and enjoys every moment of her lessons! These young ladies are the daughters of Gary & Rhonda Irvin of Williamsburg.

Those interested in riding with their horse or walking a trail at the event on a family or corporate team can register at www.DreamsGoOn.com/ridewalk or by calling 814-695-7500. The **Lehman Engineers Horse Trail Ride & Trail Walk** is the largest annual fundraiser for **Dreams Go On**. The organization would not be successful without community support.

Thank you again for your consideration to join us in supporting this worthy event to help make dreams go on for many young riders!

Sincerely,

Betsy M. Lehman, Special Projects Director
